

Mothers Day – Bags with panache..

Even basic floral sundries can be made to look extra special! At Workbox we think everything you produce should speak volumes about your business - so why not make the effort personalising your sundries as well! Customers will be impressed to see the extra attention to detail and it helps create a uniqueness about your service.

So how do you personalise? Well here we have 'personalised' simple hessian bags for Mothers Day..... And you can just as easily use them for those cute little Bridesmaids, they are so versatile...

Equipment Needed

Glue gun
Scissors
Needle and thread
Butterfly Bag

Ingredients

Different colour Hessian bags
Co-ordinating ribbon
Wooden butterflies
Ribbon flowers

Lilac Bag

With this bag we've sewn the ribbon on, as it is too delicate to glue on.

Pink Bag

Here we used a glue gun to attach the butterfly, ribbon and flowers.

Natural Bag

Using wire edged ribbon we made a 'full' bow then attached it again using a glue gun.
