

Orange Fascination

Fascinators are very popular at the moment: as an alternative to a formal hat. They can be worn to Weddings, Proms and any other special occasions by all age groups. Here is our own fun and funky Fascinator.

Floral Accessories

Orange Abaca Ribbon
Small Orange Feathers
Black Pearls on Wire – 6mm
Orange Metallic Wire
Clear Headband

Floral Tools

Scissors
Glue Gun

Method

Cut a one metre strip of the Abaca ribbon, and then cut this strip in half lengthways. Fold the narrow ribbon to make flamboyant loops and secure in the middle with the orange metallic wire.

Take two Feathers and a single spray of Black Pearls and wire these together. Repeat this step twice more.

Glue the Abaca loops to the headband (just off centre), and then attach the Feather and Pearl sprays at pleasing angles at the base of the loops with the metallic wire.

Finally, cut a few of the Black Pearls off of the remaining spray and attach them to a couple of the outer Abaca loops to help 'balance' the design.
