

Strawberry delight!

Something else fruity from our CREATE range! A very simple and contemporary design to cheer you up on a rainy summers day.

Have fun creating your own interpretations. [Sam Plowman](#)

- Take 1 x Trumpet Vase
- Cut strips of clear cellophane
- Layer strawberry's (we used 2 bags of strawberry's) and cellophane in the vase
- Split 1 x bunch of natural ting ting in half, place at either end of the vase
- Add 2 x Gladioli stems – one at either end and secure to the ting with wire
- Make a bow using 2 colours of Jute ribbon and attach to the gladioli and ting with wire
- Leave trails on the bows to wrap around the Gladioli and Ting
